Director's Report

HIOSH Compliance Branch Report – No accidents reported.

New Business – Federal OSHA Guidelines

Ms. Shishido sent a letter to Chair Vendetta regarding OSHA Standards affecting operators of cranes and derricks and how HIOSH will start to proceed on OSHA's requirements.

After much discussion, the HMOAB board agreed unanimously to meet with Ms. Shishido and Deputy Director Hidano before any further discussion. Chair Vendetta asked Lora to check on two matters for the next board meeting:

1. Is the board able to discuss Federal OSHA Guidelines under executive session;

2. Is a public database of certified crane operators available at NCCCO.
